COMMEMORATING THE ARMENIAN  
GENOCIDE

HON. HENRY A. WAXMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Mr. WAXMAN. Mr. Speaker, today, we gather to remember the genocide against the Armenian people. Although the generation that experienced these atrocities has passed, their suffering has been prolonged by the continued efforts to silence their cries and deny that a genocide occurred.

When words can help bring comfort to those who suffer, silence isolates and inflicts pain. When time marches forward and history becomes more distant, silence erodes the memory of those who were lost. When affirmation

and recognition could prevent such a tragedy from being repeated, silence allows the perpetrators of genocide to assume their actions will meet neither obstacle nor objection. Thus, the ongoing efforts of the Turkish leadership to silence discussion of the Armenian genocide inflict yet another cruelty.

We owe it to the victims of the Armenian genocide, the survivors and their descendants to resist such censorship. That is why I am an original cosponsor of H. Res. 304, a resolution to reaffirm the United States historical record on the Armenian genocide and our own government's bold role protesting the atrocities as they unfolded.

Genocide is not a unique feature of the 20th century, a momentary aberration of human morality. Genocides have continued to occur in the 21st century, and today, we are reminded of our moral obligation to speak out and take action to stop such atrocities and the immense repercussions of our choices.

Today, we will not be silent.

HONORING THE LIFE OF JANIE  
BELL WILSON STEWART

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to remember the life of Mrs. Janie Bell Wilson Stewart, who passed away recently at the age of 76. As an educator, loving mother and wife, and faithful member of her church, Mrs. Stewart was an exemplary member of her community. I would like to take this time to express my deepest condolences to everyone who knew Mrs. Stewart, especially her family and friends.

Mrs. Stewart was born on April 15, 1935 in Waynesboro, Georgia. Six years later, she moved to Fort Lauderdale, Florida, attending Walker Elementary School of Broward County Public Schools. A vivacious student, Mrs. Stewart was the first to receive a scholarship from the Zeta Rho Omega Chapter of Alpha Kappa Alpha Sorority, Inc. This scholarship paved the way for her to attend Florida Memorial University, then called Florida Normal College, where she graduated in 1958 with a degree in Education and later became a teacher.

While in college, Mrs. Stewart gave back to her community through her work with the Zeta Rho Omega chapter of Alpha Kappa Alpha Sorority, Inc., and continued her alliance with her sorority well after she graduated, becoming a golden soror for her service of over 50 years to the organization. This dedication to her sorority and alma mater earned her the Fountain of Excellence Award from Florida Memorial College (University) decades after she graduated.

It was also during college that Janie met her future husband, Milton Stewart, to whom she was married for 48 years. Together, they raised a son and one of their nieces, whom they treated as their own daughter. As a teacher, Mrs. Stewart helped countless children. Her devotion for both her students and career was evident in her long workdays, recognitions for her exceptional teaching, and friendships with other educators.

Always passionate about knowledge, Mrs. Stewart received her Master's in Administra-

tion and Supervision from Nova Southeastern University while holding a job as a teacher. With her graduate degree, Mrs. Stewart went on to become a principal. She served dutifully in this role at three different Broward County elementary schools. Mrs. Stewart continued to serve as a mentor for other teachers and maintained a presence in her former students' lives even after her retirement. Her thirty three-year career as a teacher and principal touched the lives of innumerable children and colleagues in South Florida.

Aside from her family, career, and sorority, Mrs. Stewart was also devoted to her faith. She was a member of First Baptist Church Piney Grove for 69 years, having joined in 1943. There, she served as the Director of the Red Circle of the Society of Missions. Even with her numerous activities, Mrs. Stewart still found time for fun. She enjoyed golfing and received the Palmview Women's Golfing award in 1979.

Mr. Speaker, it is my distinct honor to pay tribute to Mrs. Janie Bell Wilson Stewart whose commitment to education, her students, family, and the community will be truly missed. My thoughts and prayers are with Mrs. Stewart's family during this most difficult time.

IN RECOGNITION OF LINDA S.  
LANGE FOR HER OUTSTANDING  
CIVILIAN SERVICE AWARD NOMINATION

HON. STEVE AUSTRIA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Mr. AUSTRIA. Mr. Speaker, I rise today in honor of Linda S. Lange. I am honored to recognize Ms. Lange for her Outstanding Civilian Career Service Award nomination. Ms. Lange was nominated for her service as a civil service employee with the United States Air Force, Business Operations Division, 711th Human Performance Wing, Air Force Research Laboratory (AFRL), Air Force Materiel Command (AFMC), Wright-Patterson AFB, Ohio, from 15 December 1975 to 30 April 2012.

During her 37 years of federal service, Ms. Lange displayed superior performance with her loyalty and commitment to the mission at hand. During her tenure in the AFRL, Ms. Lange was given high visibility jobs such as leading Inspector General Unit Compliant Inspections, directing all logistical and protocol functions for the Scientific Advisory Board reviews, and coordinating and managing all activities for the \$293M BRAC MILCON ribbon cutting. Her involvement in this level of activities demonstrates the confidence her leadership had in her ability to perform independently and to meet all expectations.

Ms. Lange's expertise and experience are truly noteworthy and will be greatly missed. Her outstanding performance culminates a long and distinguished career that reflects her commitment and service to our community and nation.

Thus, with great pride, I recognize Linda S. Lange for her long-term commitment to the United States Air Force and I would like to extend best wishes for the future.

MARKING TWENTY YEARS SINCE  
THE START OF THE BOSNIAN  
CONFLICT

**HON. CHRISTOPHER H. SMITH**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Mr. SMITH of New Jersey. Mr. Speaker, this month marks 20 years since the start of the tragic conflict in Bosnia-Herzegovina. In remembrance, 11,541 red chairs lined the main street of Sarajevo during the first week of April, one for every man, woman and child killed in the beautiful Bosnian capital of Sarajevo when it was a city under siege by militant Serb forces in the surrounding suburbs and hillsides.

Like the memorial in Srebrenica commemorating the genocide three years later in which 8,000 people, mostly men and boys, were slaughtered by forces under the same overall command, the chairs were a sober reminder of how horrific and senseless the violence in Bosnia truly was. They are also a reminder of the international community's complicity in these crimes by its own inaction, when it had the means to intervene and save lives.

The result of the delayed response to aggression against Bosnia plagues the people of that country today. The realities of the conflict, including the ethnic cleansing, were accommodated by compromises in the Dayton Agreement needed to restore peace. While necessary then, today these compromises have allowed political leaders like Milorad Dodik in the entity of Republika Srpska to block at will progress on reforms needed for the country's stability, prosperity and integration. While I welcome positive developments which have taken place in Bosnia in recent months, above all the formation of a new government, it remains disappointing that movement forward is so painfully slow. The people of Bosnia, regardless of their ethnicity, certainly deserve better.

Today those responsible for war crimes, crimes against humanity and genocide continue to be prosecuted at the International Criminal Tribunal for the former Yugoslavia, located in The Hague, or in the war crimes courts of the countries concerned. This effort is important and warrants international support until the last crime is prosecuted.

Justice alone, however, cannot bring closure to Bosnia's war victims. That is why I introduced a few weeks ago H.R. 4344, which among other actions supports the work of the International Commission for Missing Persons in locating and identifying persons missing as a result of conflicts and supporting the investigation of genocide and mass atrocities. It is also why I now repeat my call made last year for a permanent memorial to be established at the site of the Omarska concentration camp in northeastern Bosnia, so that the survivors of the crimes associated with the ethnic cleansing of that region of the country may also have a place to remember those lost. Such memorials also serve as bulwarks against forces which try to excuse, minimize and even deny the crimes that took place.

As Chairman or Co-Chairman of the Helsinki Commission for most of the 20 years since the Bosnian conflict erupted, I have chaired dozens of hearings and introduced numerous pieces of legislation which have

helped to document the atrocities, shape policy responses, and assist in post-conflict recovery. I have also visited the country on numerous occasions. I can assure the people of Bosnia that I and my colleagues on the Helsinki Commission will continue to work for their human rights and the democratic, prosperous future they deserve.

**CROSS WALK COMMUNITY  
OUTREACH FOOD PANTRY**

**HON. CHELLIE PINGREE**

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Ms. PINGREE of Maine. Mr. Speaker, I want to recognize an incredible effort in Maine, the Cross Walk Community Outreach Food Pantry in Naples.

In a time of such need the Cross Walk Community Outreach Food Pantry has been tireless in its efforts to help its neighbors in Western Cumberland County. Twice a month they gather to help residents in the towns of Naples, Sebago, Casco, Bridgton and Harrison with free meals and food boxes. They do this not with a large budget, but with a very dedicated set of volunteers.

Maine is a state that has struggled with food insecurity and the Cross Walk Community Outreach Food Pantry is making a small step in eradicating hunger in Maine. Neighborhood efforts like this demonstrate Maine's unbreakable community bond in our fight against hunger in Maine today.

**IN RECOGNITION OF DR. AMELITO  
ENRIQUEZ**

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 24, 2012*

Ms. SPEIER. Mr. Speaker, I rise to honor Dr. Amelito Enriquez who has received the Presidential Award for Excellence in Science, Mathematics and Engineering Mentoring. Dr. Enriquez, a Professor of Engineering and Mathematics at Cañada College in Redwood City, California, is one of nine individuals to receive this prestigious award and he will serve as a resource for federal efforts to develop the national Science, Technology, Engineering, and Mathematics (STEM) education and research sector.

During his 17 years at Cañada College, Dr. Enriquez—or Dr. E as his students like to call him—has demonstrated his commitment to increased participation and success of minorities and women in science, mathematics and engineering.

He has secured over \$10 million in federal and state grants to develop programs such as COMETS, Creating Opportunities for Minorities in Engineering, Technology and Science. COMETS allows students from two-year colleges in San Mateo County to intern at the NASA Ames Research Center for a year and prepares them to be competitive once they transfer to a four-year college.

The Summer Engineering Institute is a two-week program at San Francisco State University for high school students interested in engineering and for community college students already studying engineering who hope to transfer to a four-year college to finish their degrees. The Bridge to Engineering for Veterans program helps veterans to transition from military to engineering careers.

The students of Dr. Enriquez adore him because he is making a difference in their lives. They wrote the letters of support that led to his nomination for the presidential honor. Dr. E understands the importance of encouragement and mentorship. He grew up in the Philippines with what he calls a "me-too complex." As the youngest son, he wanted to be whatever his older siblings or cousins wanted to be, but they told him he couldn't. He recalls thinking that the more people were saying that he couldn't do something, the more he wanted to do it.

Dr. Enriquez wanted to be a priest, a basketball player, but eventually found his calling when he studied Engineering at the University of the Philippines, Diliman, Quezon City. He earned his B.S. in Geodetic Engineering in 1984. After a six-month stint with a large company, he started his own business with friends, taught at his alma mater and then
